Passenger Portal – start screen

The screenshot shows the OnTime Passenger Portal interface. On the left is a sidebar with icons for 'Linie' (Lines), 'Przystanki' (Stops), 'Komunikaty' (Messages), 'Wyszukiwarka połączeń' (Search for connections), and 'Więcej...' (More...). The main area features a 'Linie' section with a search bar and a grid of line numbers. A map of a city is displayed on the right, with a red bell icon indicating an active message for a specific line.

Annotations on the screenshot:

- Possibility to use the line number search option
- Line Type Selection
- When you hover over the line number, a list of main variants on line 6 appears
- Selecting a line from the list

The screenshot displays the OnTime Passenger Portal interface. On the left, a sidebar contains navigation icons: a power button, a star, a bus icon, a refresh icon, a bus icon labeled 'Linie', a bus stop icon labeled 'Przystanki', a bell icon labeled 'Komunikaty', a location pin icon labeled 'Wyszukiwarka połączeń', and a 'Więcej...' button. The main content area is divided into two sections. The top section is a dark green header with a 'POWRÓT' button, a star, a bus icon, and a line number '6' with a right arrow and the word 'Szpital'. Below this is a list of bus stops, each with a circular icon and a text label: Ogródki — Pętla (130), Ogródki II (131), Ogródki I (132), Siedliska (220), 02 Tuwima (169), 02 11-go Listopada — rondo (102), 01 Tuwima — Zespół Szkół Nr 1 (168), 01 Północ II (240), 01 Sikorskiego — rondo (56), 03 Sikorskiego — stadion (57), 02 Gdańska (50), 04 Mickiewicza — wieżowiec (51), 06 Wojska Polskiego — ECK (8), 08 Wojska Polskiego — park (9), 02 Kilińskiego — Koszykowa (10), and 04 Kilińskiego — Szkoła Nr 7 (11). The bottom section is a map showing a route. A green line represents the main variant, and grey lines represent other variants. The map includes labels for various locations like Wityny, Konieczki, Elk, and Szyba. A blue box with a white border is overlaid on the map, containing the text: 'Clicking on a stop will bring up a window with three options: THEORETICAL SCHEDULE, UPCOMING DEPARTURES, ASCENDING DISTRIBUTION'. Another blue box with a white border is overlaid on the map, containing the text: 'Change of direction to the opposite'. A third blue box with a white border is overlaid on the map, containing the text: 'Line number and direction'. A fourth blue box with a white border is overlaid on the map, containing the text: 'Name of the opposite direction'. A fifth blue box with a white border is overlaid on the map, containing the text: 'List of next stops in the direction of the selected line. Clicking on a given stop displays the THEORETICAL DISTRIBUTION of the line for it'. A sixth blue box with a white border is overlaid on the map, containing the text: 'Route of the main variant (in green) and the other variants (in grey) along with the location of vehicles assigned to the line'. The map also shows a legend, a Polish flag, and a zoom control.
